The President was, I am afraid, not acting quite within his powers, when he acceded to the desire of the Delegates of Canada without the previous sanction of Govt. A "miniature Town Hall" sounds rather queer. A "Municipal Hall" or "Town Hall" would read better. The construction as proposed at a cost of Rs 1288 may be sanctioned since the instructions being issued are based upon the recommendations made in the Report from the Resident in Cauvery - (445 + 500 + 343)

A Town Hall is as usually understood is a Municipal matter. Public meetings are held in the Town Hall. Now please the President would a Chowdiah or other Chowdiah suffice. I suppose the Government would provide the Chowdiah was without amount

Sir,

I have the honor to state that my predecessor Mr. H.H. Sharpe, seeing the dilapidated condition of the old Revenue Chavadi in Devanhalli town and being of opinion that the building was not worth repairing, ordered that it should be sold by public auction and the sale proceeds credited to the Municipality. He further opined that Rs. 500 provided under VIII Public Works Buildings original" together with the sale proceeds would be sufficient to build a suitable one instead

2. The Amildar reports that the old building fetched Rs. 445/- and proposes to build a neat and decent building, to be called a miniature Town Hall opposite the Girls' School which may not only be used as a Revenue Chavadi but also for the purpose of holding Municipal and other public meetings. The estimated cost of the proposed building comes to about Rs. 1288/- or Rs. 343/- in excess of the amount estimated by my predecessor which may be met from the next years sanctioned budget under 'Public works'.

as a Town Hall as suggested
for in a place like Devanhalli as it is misleading
Municipal Meetings are best
held in the Taluq Cutcherry
~~and~~ If a place for Shekdar
is wanted, a chavadi or rather
a chavadi may be built for the purpose.
~~It was suggested on the part of~~ Grant of this sum will not quite within his powers when he
